

Get into KIWIsmart

Step by Step Guide

1. Open your Metamask wallet and click on the Menu on the right corner

2. Choose Browser

3. Open app.kiwismart.org and connect your wallet

4. Click on Metamask logo

5. If you don't use referral link and you are not in the system of KIWIsmart you will have to fill out the referral ID

6. If you want to change the wallet, click the right corner up and choose the wallet you prefer to connect with.

7. If you are already an user, after connecting your wallet, you will land on the dashboard, where you will be able to find your Referral Link. Also You will be able to Purchase credits or to Add an exchange.

8. To Purchase credits, click Purchase Credits

9. Chose your package by clicking on it and follow the transaction steps

10. Your commission will be shown here and you can claim it any time

11. To add your exchange details, click on Customer

12. You can see if you already have any connected exchange

13. You can add new or replace existing exchange by clicking Add

14. Add an exchange API key, Secret key (and Passphrases for some exchanges)
