About us

The AFX quantitative team has many years of practical experience in quantitative strategies, and has developed a professional quantitative knowledge classroom for novices, so that AFX will become a quantitative master in a short time and use AB Trades quantitative robots to maximize profits in Forex Trading investments.

About Trading

A trader is a person, firm, or entity in finance who buys and sells financial instruments, such as forex, cryptocurrencies, stocks, bonds, commodities, derivatives, and mutual funds in the capacity of agent, hedger, arbitrageur, or speculator.
